

## COVID Safety Plan

### Dance

- Each team (cohort) waits in their assigned studio
- As the team is required for performance they will be escorted to James Hall
- After performing they are escorted back to their studio
- If they have further performances they will wait in the studio until dismissed
- They will be following LTDA's COVID safety plan at all times  
<http://www.laszlodanceacademy.com/covid-19-safety-in-the-studio.html>
- James Hall will have only the videographer (and an assistant if necessary), teacher, and dancers (and a festival volunteer for sanitizing when required)
- No audience members allowed

### Music & Speech Arts

- Participant will arrive at the appointed time (or when their teacher has arranged for them to arrive for warm up)
- A volunteer will meet the participant and direct them into James Hall and instruct them where to exit after their performance
- A volunteer will sanitize after each participant (or after all the family members perform when there are 2 or more members of a family participating)
- Children 12 and under may have one parent attend their performance if they desire
- James Hall will have only the performer, accompanist (if required), parent (if under 12), videographer (and assistant if necessary), adjudicator (strings/piano, observation only) (and a festival volunteer for directing and sanitizing as required)
- All participants will abide by the Powell River Academy of Music COVID Safety Plan
